

POME ON THE RANGE DONATION POLICY

Here at Pome on the Range Orchard, we love people and we enjoy the opportunity to be able to give back to our community. Ideally, we would be able to make donations to all of the daily requests that we receive. Unfortunately, if we were not selective in how we appropriate our donations, it would have a negative impact on our ability to accomplish our mission.

As a small (but growing) family owned business, there are many things that we have to focus on in order to survive and thrive. Along with taking care of our employees and continuing to create wholesome products and experiences that our customers love, we will continue to take advantage of supporting needs and opportunities that present themselves in our community. Our focus in giving will be to those organizations and opportunities that are best aligned with our corporate mission.

At this time, we are unable to provide cash sponsorships, but will continue to consider in-kind donations. If you have an organization or opportunity that you believe aligns with our mission, please fill out the Request Form and submit to info@pomeontherange.com. We cannot promise that we will be able to donate to your event, but we promise that we will look at the request and seriously consider it. The more notice, documentation and details you give us, the better.

PLEASE NOTE: It is highly unlikely that we will consider any donation request if it is received with less than 30 days' notice.

In order to help us help you, please return this form **AT LEAST 30 DAYS PRIOR TO YOUR EVENT DATE**. We cannot guarantee we'll be able to review forms received fewer than 30 days prior to your event.
